

Online Community Resource Mapping

Wednesday, July 16, 9:00 am -12:00 pm
McConnell Center, Dover, NH

Learn how to map natural resources in your community using NH GRANIT's free online Data Mapper with Nancy Lambert, SRC member and a geospatial technologies educator. Make custom maps with geographic data, aerial photos, soils and other features.

The workshop is \$20 for members of Strafford Rivers Conservancy and \$35 for non-members. (All proceeds benefit the Conservancy.) Limited to 10 participants.

For registration and directions please contact the Strafford Rivers Conservancy at (603) 516-0772 or e-mail info@straffordriversconservancy.org.
